Tennessee Code Annotated #49-5-413. Investigation of applicants for teaching positions
[Amended effective January 1, 2000. See Compiler's Notes].

- (a) In addition to the requirements of #49-5-406, a local board of education shall require any person applying for a position as a teacher and any person applying for any other position requiring proximity to school children to:
- (1) Agree to the release of all investigative records to the board for examination for the purpose of verifying the accuracy of criminal violation information as required by #49-5-406(a)(1)(A); and
 - (2) Supply a fingerprint sample and submit a criminal history records check to be conducted by the Tennessee Bureau of Investigation.
- (b) [Effective January 1, 2000.] Any reasonable costs incurred by the Tennessee Bureau of Investigation in conducting such investigation of an applicant the first time such applicant applies for a position with a local board of education. The applicant shall be provided a copy of all criminal history records check documentation provided to the local board of education to which the applicant first applies. In lieu of additional criminal history records checks for subsequent applications, the applicant may submit copies of the applicant's initial criminal history records check documentation and shall not be required to pay any additional costs. Any local board of education may reimburse the applicant for the costs of the investigation if the applicant accepts a position as a teacher or any other position requiring proximity to school children. Any local board of education may establish a policy authorizing payments for investigation of an applicant who provide school maintenance, clean up, food service and other such functions other than administrative or teaching functions or duties. A local board of education may pay for an investigation of such applicant regardless of whether the applicant accepts an offer of employment with such board of education.
