

Haywood County Schools Seamless Summer Feeding Program Seeks Sites

Each summer 18 million students are at risk of going hungry when the school year ends and school lunches are no longer available.

For many children, school meals are the only complete and nutritious meals they eat, and in the summer they go without. This summer, the need will likely increase.

The Seamless Summer Food Program can help to fill the summer meal gap for children. SSFP is a federally funded program that provides free meals to children ages 18 and under during the summer, when National School Lunch and School Breakfast Program meals are not available.

Faith-based, community, and private non-profit organizations can make a difference in the lives of hungry children by serving meals with SSFP administered by the Haywood County School Nutrition Program. Churches, recreation centers, playgrounds, parks and camps can serve as feeding sites.

Or go by the Haywood County Board of Education at 900 East Main Street in Brownsville, Tennessee and fill out an application.

“This institution is an equal opportunity provider.”

To learn more about how you can get involved by becoming a feeding site contact:

Denita Jarratt– Director of School Nutrition
(731) 772-9613, ext. 2490
