SCHOOLWIDE PROCEDURES

VISITORS

To help ensure a safe and secure learning environment for your children, all visitors to Haywood Elementary are required to sign-in at the school's office, to receive a badge to wear during their visit. If a parent is bringing something to a student, the parent should come to the office. We will assist in getting items to the student. Parents who need conferences with teachers must call the school office to set up appointments during their daily planning time. Instructional time is vital for the academic success of our students. **Please do not ask to meet with a teacher during his/her instructional time.**

CHANGE OF ADDRESS OR TELEPHONE

It is important the school has an up-to-date address and phone number on every student. In cases of illness, accident, etc., the school should be able to contact you immediately. Therefore, any change in address, telephone number, or emergency contact person(s) must be reported in writing to the office promptly.

ELECTRONIC DEVICES

Students may possess personal communication devices, such as cell phones, electronic games, IPODs/MP3 players, and cameras while on school property. However, the personal communication device must be in the off mode and must be kept in a backpack and may not be used during school hours. The principal or his/her designee may grant a student permission to use such a device at his/her discretion.

Unauthorized use or improper storage of a device will result in confiscation and kept in the office until a parent/guardian can come to school to reclaim the item.

Students are prohibited from using electronic devices in any manner that interferes with or is disruptive to the educational process, which violates the security or integrity of educational materials or tests, or which invades the privacy of students, employees, volunteers or visitors.

The student who possesses any such device shall assume responsibility for its use and care. The school will not be responsible for damaged, lost, or stolen devices.

A student in violation of any part of this policy is subject to disciplinary action.

CAFETERIA

Breakfast and lunch are available to all Haywood Elementary students at no charge. Breakfast is served from 7:00-8:00 AM. Lunch is served from 10:45 AM-1:00 PM, depending on your child's class schedule. Children are allowed to bring a lunch from home. TEXTBOOK FEES

Textbooks are property of the Board and shall be returned at the end of the school year, upon completion of school or upon withdrawal from the school. Parents are to sign an agreement stating they shall be responsible for the textbooks received and used by their children. The following reimbursement schedule shall be used as a guide for collecting fines for lost or destroyed books:

<u>Age of Book</u>	<u>Amount Collected</u>
1 - 2 years	100% of replacement cost
3 - 4 years	75% of replacement cost
5 or more years	50% of replacement cost

The Board shall approve and periodically review a schedule of fines for damaged books. In cases where the book is damaged to the extent it is no longer useable, the amount collected shall conform to the reimbursement schedule for lost books. A fine may only be assessed in cases where the pupil or parent damages, loses or defaces the textbook either through willful intent or neglect. Parents will be notified in writing. Failure to pay the fine imposed within a reasonable time may result in one of the following actions:

1. Refusal to issue any additional textbooks until restitution is made; and
2. Withholding of all grade cards, certificates of progress, or attendance at any extracurricular activities.

FIELD TRIPS

Field trips may be planned throughout the year for various academic, enrichment and extracurricular purposes. Parents will receive advance notice of all such trips. A permission slip will be provided and must be signed by a student's parent in order for the student to participate in a field trip. Students without permission slips will remain at the school in another class.

Occasionally, parents may be needed to serve as chaperones on class field trips. No parent should feel obligated to serve in this capacity, but parents are encouraged to volunteer if possible. The primary responsibility of a chaperone is to ensure appropriate supervision for students. Parental chaperones are asked to take this responsibility seriously and to remain vigilant and attentive to the students' needs throughout the trip.

ATTENDANCE

Students are expected to be present each day that school is in session. Attendance is an important part of the Haywood Elementary School experience. Studies have shown a high correlation between attendance, personal reliability and grades. It is the parent/guardian's responsibility to see that each student is present. We ask that you make doctor appointments and other obligations for scheduled days off from school or after school hours.

TARDINESS

Students are tardy if they arrive at school after 8:00 AM. Students who are tardy must be signed in at the office by the adult responsible for bringing them to school. Students who leave school before dismissal are also considered tardy. If your child receives 5 or more tardies in a nine-week period, it will result in 1 unexcused absence.

ABSENCES

If your child is absent, please make sure he/she brings a written excuse the day he/she returns to school. If your child is absent for more than 3 days in a row, your child will need to bring a doctor's excuse to school on the day he/she returns. If your child has been sick with fever, he/she cannot return to school until fever-free without medication for 24 hours before returning to school.

UNEXCUSED ABSENCES

A letter will be sent home after three (3) unexcused absences. It will be reported to the Attendance Officer at the Central Office after six (6) unexcused absences for legal action.

EXCESSIVE ABSENCE POLICY

Students with more than 10 unexcused absences in a semester or 20 unexcused absences for the school year have the possibility of being retained. They will also be reported to the Attendance Supervisor at the Board of Education. Refer to Board Policy #6.200

PERSONAL LEAVE DAYS

Students may take 2 personal days during the school year for absences other than those normally excused for illnesses and death. The parent/guardian must make a request in person to the school prior to the day of such absence. Personal days are counted against attendance. **Personal days may not be requested during state-mandated testing.** Students who have missed six days in the semester may not take a personal day.

SCHOOL CLOSINGS

School closing due to inclement weather will be announced on Brownsville Radio (95.3 FM) and area television stations. It will also be posted on the Haywood County Schools website (www.haywoodschoools.com) and Haywood Elementary's Facebook page.

WEATHER AND EMERGENCY PLAN INFORMATION

**** For the safety of all students, during a lock down and severe weather we are not allowed to release students to parents/guardians until safety has been determined.**

HEALTH EMERGENCIES

In the event a student is seriously injured or ill, parents/guardians will be notified. If the office is unable to reach parents in a reasonable amount of time or if the situation is an emergency, the principal will make the decision to have the student transported to the hospital emergency room.

Please see that the school has up-to-date information about how to reach you in the event your child becomes ill or injured while at school. In addition to a home phone number, we need a work phone number and the number of a relative, neighbor or friend. **It is absolutely necessary that the school be provided with an emergency phone number for all students.**

DRILLS

Fire drills are a necessary routine for ensuring the safety of students and staff. All students and staff are expected to follow the established fire drill plan posted in each room of the school. When the fire alarm bell sounds students are expected:

- To evacuate the building in a quick, quiet and orderly manner
- To evacuate the building through the designated exits

When the all clear sounds, students are expected to re-enter the building in a quiet and orderly manner.

Tornado drills are also a necessary routine to ensure the safety of students and staff in the event of a tornado.

A tornado drill procedure has been established for the school and is posted in each room of the school. When a tornado alarm is sounded students and staff are expected to report quickly and quietly to their assigned area of safety.

Intruder drills are a necessary routine to ensure the safety of students and staff in the event there is an intruder in the building.

OTHER EMERGENCIES

The staff in the event of terrorist attacks, bomb threats, etc will implement the safety-crisis plan to ensure the safety of staff and students.

HEALTH AND SAFETY

Students' health and safety is the school's foremost responsibility. The following information describes the precautions taken to protect the well being of all students. If your child has any specific health, safety, security needs, please inform the school so that appropriate accommodations can be made.

MEDICATION

To dispense prescription medication to students, you must provide the school with a **"Physician's Order and Parental Consent form"** completely filled out and signed by the doctor and signed by the student's parent before medication can be administered. All medication should be brought to the school office in its original prescription container, labeled with the student's name, the name of the medication, date of expiration, and

proper dosage. Students are not permitted to bring non-prescription medications to school. This policy includes over-the-counter medication such as aspirin, Tylenol, cough medicine, allergy medication, and all types of lotions and topical preparations. The only medications allowed to be used at school without the parents' consent are those used in first-aid care, such as alcohol, hydrogen peroxide, and antibiotic ointments. Medications for fever, pain, nausea, vomiting, or diarrhea, and topical medications for rashes can no longer be given at school.

It is important that the school has emergency contact telephone numbers in case your child needs to leave for medical attention. Please notify the office of phone number and address changes.

ACCIDENTS

The school office or a trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student and an incident report will be kept in the office. In such cases, it is especially crucial that the school has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be vigilant in keeping the schools' records for your child up-to-date. In the event of an emergency, the student will be transported to the hospital.

HAYWOOD COUNTY SCHOOL SYSTEM'S MASS HEALTH SCREENINGS

The Haywood County School System will be conducting mass health screenings throughout the year. The school system recognizes the importance of individual health screenings to address and identify health and wellness issues that our children may face. The purpose of the health-screening program is to maintain wellness among our students and staff and remove any barriers to learning/education. These screenings will provide required information to the State Coordinated School Health Program, specifically grades K, 2, 4, 6, 8 and High School Wellness Class.

If your child is in one of the above listed grades or class and you do not wish for your child to participate in any of the following other than the required screenings, please send a handwritten, signed letter to school stating your wishes.

*Vision, *Hearing, Blood Pressure, Height, Weight, Scoliosis (6th grade only)

*Required

If you have any questions, please feel free to contact Cindy Smith, School Health Coordinator at (731) 772-9613.

SCHOOL COUNSELOR

Haywood Elementary School Counselor is available to all students, parents/guardians, and teachers. School Counselor meets with all students throughout the year for classroom guidance. In guidance, students learn how to display character traits such as respect, responsibility, fairness, and caring, as well as learn about important topics such as feelings, drug awareness, careers, personal safety, problem solving, bullying, and violence prevention. The school counselor also works with students (individually or in groups) who have academic, behavioral, or personal/social needs. The school counselor is responsible for referrals to Special Education testing and Section 504 services (physical or mental impairment). Please contact school counselor at 731-772-0732 ext. 4018 if you have any concerns regarding your child's social, emotional, or educational development. A parent who desires a conference with a teacher should contact the teacher and request that a conference be arranged. It is necessary to schedule parent-teacher conferences in advance to prevent interruption to classroom instruction. Teachers will notify parents if there is a need to discuss academic and/or social progress of their child.

SCHOOL WIDE POSITIVE BEHAVIOR SUPPORT

BE RESPONSIBLE

BE RESPECTFUL

BE SAFE

Please take time to discuss these rules with your child and ask him/her to explain to you what they mean in a school setting. All three rules will be taught and discussed in class, and we want every child to "get caught" following the rules.

The teachers and staff at Haywood Elementary School strive to provide classroom environments and experiences where all children feel safe and have a positive learning environment. Our school focuses on character education, appropriate behavior and the elimination of bullying. We support these goals in everything we do within our school community. We expect all of our students to follow the school rules so that teachers can teach and students can learn.

By law, every student has the right to learn in an environment free from bullying. We are dedicated to this. Students will be trained in what to do when bullying takes place.

- 1. Say NO 2. Go (away from the "bully") 3. Tell an adult**

Adults in our school know how to handle bullying. It is not tolerated. Please notify your child's teacher or the counselor if you are aware of or have a concern about bullying. We want our school to be a safe and happy place for learning.

ZERO TOLERANCE

Drugs, Alcohol, Weapons, and Battery

In order to ensure a safe and secure learning environment free of drugs, violence and dangerous weapons, any student who engages in the following behaviors will be subjected to expulsion for a period not less than one (1) calendar year. All students charged with Zero-Tolerance offenses will appear before the Disciplinary Hearing Authority. The Director of Schools shall have the authority to modify this expulsion on a case-by-case basis. Zero-tolerance acts are as follows:

1. Student(s) who unlawfully possess, use, distribute or sell any narcotic, tobacco, stimulant drug, marijuana, alcoholic beverage, or possess a dangerous weapon on a school bus, on school property or to any school event or activity will be found in violation of Haywood County's Zero Tolerance.

NOTE: Tennessee law requires that drug violations on school property be reported to the appropriate law enforcement agency. If any student is suspected of being under the influence of drugs or alcohol, a parent or guardian will be contacted for permission to administer a drug test off campus. Testing will be conducted by trained juvenile authorities.

2. Any student while on the school bus, on school property or while attending any school event or activity commits a battery on a teacher or any other employee of the school.

For purpose of this regulation, "expulsion" means removed from the pupil's regular school or removed from school attendance altogether, as determined by the school officials. Nothing in this regulation shall be construed to prohibit the assignment of such students to the Justice Academy.

FIGHTING

Students may be "EXPELLED" (removed from the regular school program and sent to the Alternative school, or removed from school altogether) for fighting.

All fights that take place on school property must be referred to the principal for disciplinary action. The principal will determine the severity and circumstances of a fight and decide whether or not to request a DHA hearing. Students involved in major fights that require hearings shall be disciplined by the DHA. The DHA will follow the steps in making disposition of the cases:

1. Determine if the student is innocent or guilty
2. Determine if the offense is of "Zero-tolerance" magnitude
3. Determine punishment for the student

Selected punishment in "Zero-tolerance" cases shall include expulsions from the regular school program for a period of up to one year.

Accelerated Academic Academy

Mission Statement

The Accelerated Academic Academy strives to provide challenging before and after-school programming that will meet the academic, recreational, cultural, social, and safety needs of the students of Haywood County.

Introduction

This Accelerated Academic Academy information will serve as a guide for parents and students throughout the AAA school year. It contains the basic information governing the programs, discipline, attendance, field trips, and procedures for dismissal.

General Information

Application Process:

There is a before and after-school application for students. Students are referred by teachers for the tutorial and homework assistance programs. The number of students who attend will be limited due to state mandated teacher to student ratios. Therefore, we will serve those students who are most-in-need first and then if openings are available, we will serve other students. If needed, a waiting list will be established.

After-school enrichment applications will also be taken using the same criteria. Enrichment classes will be offered on a first come, first served basis. Information regarding these programs will be advertised throughout the community on the Haywood County Schools web site and

through information provided by the AAA program. The enrichment programs will be offered on an eight weeks schedule and will change each eight weeks.

Arrival and Dismissal

Before – School Program: Students are to arrive at school at 7:00. Breakfast will be served according to the school schedule for before-school students. Students will remain in the homework and tutorial program until 7:45 and then return to their homerooms or taken to breakfast. No student will be admitted to the before-school program after 7:15.

After-School Program: Students will follow the dismissal plan formed by their school for the after-school program. At 3:00, healthy snacks will be provided, and the students will be dismissed from the cafeteria to their classes. At 5:15 the students will be dismissed with the approval of their teachers. Proper identification of adults will be needed to pick up students. Bus transportation will also be provided, if needed. Students using bus transportation will be expected to follow all rules and regulations set forth by the Haywood County Board of Education. A staff person will be assigned to be present in the dismissal area at a designated time. This staff member will have a checklist of students who will be riding the bus.

Discipline

The students will follow the school-wide discipline plan of their respective schools and Haywood County Board of Education bus policies. If a problem occurs, the teacher will complete a discipline report form and submit it to the Site Coordinator. Parents will be notified about each incident. After three written notifications, the student will be suspended for a period of six weeks from the after-school program. There is a form that will be sent home for parent signature regarding discipline procedures.

Illness

We do not give any medication at school without a signed “Physician’s Order and Parental Consent Form.” If a student becomes ill, we will call the parent or designated emergency person to arrange transportation home.

All site coordinators have been trained and received CPR certification.

Emergency Response Plan

Students will follow the emergency school response plan of their respective schools.

Inclement Weather

When schools are closed due to inclement weather, the before and after-school programs will not meet.

Attendance

If a student misses 4 consecutive days of the AAA program, he/she will be removed from the program and placed on a waiting list to return to the program.

Field Trips

Field trips will enhance the after-school program. Transportation will be arranged with the knowledge and consent of parents and will follow transportation rules for field trips. A field trip parent information sheet will be provided, and a permission sheet must be signed.

Grievance Policy

Parent input concerning the program is important. Feel free to share your comments with the program coordinator Mr. Don Sims. All questions concerning policies and procedures should be addressed to the program coordinator at (731) 772-3265.

Notice of Non-Discrimination:

It is the policy of the Haywood County School System (HCS) not to discriminate against any student, employee, or applicant on the basis of sex, marital status, race, color, creed, national origin, sexual preference, or handicapping condition. HCS will ensure that no student will be excluded from participating in or having access to any course offerings, student athletics, counseling services, employment assistance, extracurricular activities, or other school resources based on unlawful discrimination.

HCS will take all necessary steps to ensure that each employee's work environment is free of unlawful discrimination. No office, administrator, or employee of HCS, including any persons representing HCS, shall intimidate, threaten, harass, coerce, discriminate against, or commit or seek reprisal against anyone who participates in any aspect of the discrimination complaint process associated with this policy.

**We are excited about the opportunities this program has to offer your child.
Let's be involved together and make exciting things happen!**

IN-SCHOOL

Working with school staff members, struggling readers in grades 2-3 are carefully selected to participate in a daily guided independent reading practice (G.I.R.P.) program for 30 minutes of uninterrupted time, four days a week, using Accelerated Reader (AR). Children may receive help to select and appropriate book, to decode difficult words, and/or they may take part in discussions about the important parts of the book before taking an independent quiz. The same children participate each day; children do not rotate through the program.

AFTERSCHOOL

Afterschool programming provides children a safe place with structure for the time following the school day. Intended participants are those children who are currently struggling readers. Children participate in the Developing Reader Literacy Block. Activities include 30 minutes of GIRP (guided independent reading practice), 30 minutes of RAvFL (read-aloud, vocabulary and fluency-building support) and 30 minutes of physical activities. Technology is used to maximize children's learning.

SUMMER

A strong summer program creates a culture that is different from the school year and promotes a sense of community. A full day of integrated, themed programming with a summer camp theme builds skills, knowledge and behaviors that promote academic success and healthy development. The program runs six hours a day, five days a week for six weeks, following guidelines from the National Summer Learning Association. Four days a week, morning activities include 30 of each of the following activities: guided independent reading (GIRP), read-aloud/vocabulary/fluency activities (RAvFL), mathematics instruction, mathematic extension activities, Healthy Choices-Physical Activity and team-building. Afternoon activities involve three weeks each of the following: STEM (science, technology, engineering, and math), community service, enrichment and the Healthy Choices-Nutrition program. Special activities such as

field trips, local speakers, special celebrations and culminating events are planned by each individual site and occur on Friday's and during the final week of camp.

Project B.A.S.I.C.

Project B.A.S.I.C. (Better Attitudes & Skills in Children) is a program designed as a liaison between Professional Care Services (PCS) and Haywood Elementary School (HES). Four days a week (Monday-Thursday), this program provides educational, yet entertaining activities to help students build self-esteem and learn decision-making skills. This project resulted from research that determined that children learn more easily when their self-esteem is high.

As the Project B.A.S.I.C. Child Developmental Specialist (CDS), 30 minute in-school classroom activities will be provided to the students using stories, videos, booklets, and puppets. Through these activities, the students develop a better concept of themselves and also develop self-confidence that will help them make good choices.

Project B.A.S.I.C. also provides individual and small group counseling for some students with specific needs (i.e. anger management, self-discipline, dealing with grief, defiance, etc.) These students have to be referred by parents, staff members at HES, or staff members at PCS and have written parental permission for individual and group counseling.

Project B.A.S.I.C. is intended to enhance the school services of Haywood Elementary School and will not replace existing or future guidance counseling, special education or instructional programs.

INTERNET ACCEPTABLE USE POLICY

OVERVIEW

The internet is an electronic communications network which provides vast, diverse and unique resources. Our goal in providing this service to teachers, staff and ultimately students is to promote educational excellence at East Side Intermediate School by facilitating resource sharing, innovation and communication.

With access to computers and the people all over the world also comes the availability of material that many may not be considered to be of educational value in the context of the school setting. There may be some material or individual communications that are not suitable for school aged children. East Side Intermediate School views information gathered from the Internet in the same manner as reference material identified by the schools. Specifically, East Side Intermediate School supports resources that will enhance the learning environment with directed guidance from the faculty and staff. Exploration and manipulation of resources is encouraged. However, it is impossible to control all materials on a global network and an industrious user may discover inappropriate information.

In the school, student access to and use of the Internet will be available only through a teacher/staff account and as such should be under teacher direction and monitored as any other classroom activity. Direct supervision is required.

GUIDELINES

The operation of the Internet relies heavily on the proper conduct of the users, who must adhere to strict guidelines. Internet access is a privilege, not a right. If a user violates any of the acceptable use provisions outlined in this document, future access will be denied. Students are responsible for good behavior on school computer networks just as they are in a classroom or school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply.

Internet access is provided for students to conduct research and communicate with others in relations to schoolwork. Access to network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required. Based on the guidelines outlined in this document, the school staff will deem what is appropriate use and their decisions are final. School staff may revoke privileges at any time.

NO CHILD LEFT BEHIND LEGISLATION

To comply with the No Child Left Behind legislation, Haywood County School System, which is a recipient of federal funds, will adhere to the following guidelines concerning parental rights and notices. This will serve as your official notification.

Report cards on statewide academic assessment

Results of state testing will be sent home by students as soon as results are returned to the school system, published in the local paper, posted in the Board of Education's central office at 900 E. Main St. in Brownsville, Tennessee and at the state web site located at www.connect-tn.org/. These reports will reflect school improvement status and adequate yearly progress.

Teacher and Paraprofessional qualifications

The information regarding teachers' qualifications may be found at the following locations: on the state web site (www.connect-tn.org/), available at the school system's Central Office (900 E. Main Street in Brownsville), and at the individual school's Principal's office. Paraprofessional information can be found at all of the above sites except the state web site. You may request the individual qualifications of your child's teacher(s) and any paraprofessional who works with your child from the Central Office.

Individual achievement on state assessment

Test results are sent to the students' school as soon as they are returned to the school system. Upon receipt at the individual school they are prepared and sent home by students. If a teacher is to be absent for four or more consecutive weeks, notification will be sent home by the student if the substitute teacher does not meet the standards for highly qualified.

Limited English proficiency program

Parents of students identified as meeting the criteria for Limited English Proficient Program will be provided with all required information at the initial placement meeting. Parents of any student identified as meeting criteria for this program after the beginning of the school year will be notified in the same manner within the first two weeks of the child's placement.

Parent Involvement Policy

A written Parent Involvement Policy, including requirements of No Child Left Behind, is part of the school board policy manual located at each school and the central office at 900 E. Main Street in Brownsville, TN. Open House is held at each school at the beginning of each school year for the purpose of informing parents. Meetings are held throughout the year for the purpose of school improvement planning which includes the Title I Program, curriculum, assessment and school-parent compact. Parent Teacher Conferences are scheduled in the fall and spring to discuss academic and educational assessment. Annual school surveys will be distributed in the spring to parents, students, and school staff to determine needs for the upcoming school year.

Safe and Drug Free School Programs

Text and programs including the curriculum for Health, Science, and Physical Education are approved by the Board of Education after parental review. These programs meet the criteria for Safe and Drug free schools. For any additional programs dealing with violence and drug prevention, parents may state objections in writing to withdraw a student from the program/activity. Parents will be provided written notification that if their child should become the victim of a violent crime at school he/she will have the right to transfer to another school within the district.

This designation provides the opportunity to use federal, state, and local funding to upgrade the entire educational program. These schools are Anderson Early Childhood Center, Haywood Elementary Primary, and East Side Intermediate.
