**Student notes for:** *The Preamble and the First Amendment to the United States Constitution*

**Day:** 2

1. What are the six goals stated in the Preamble?

2. Why would the US Constitution have this sentence, the Preamble, as its introduction?

3. The First Amendment is a modification, or a change, to the Constitution, and it is also just one sentence. Why would the framers again choose to write just one sentence to address this modification?

4. The Preamble and the First Amendment are each just one sentence. Why would the framers decide to keep each of these very important documents to one sentence?
