Student notes for: “Daffodils”

Day: 3

1. Look at the image of the daffodil. How does the poet personify the daffodils in stanza two and how does the image help you to see this personification?
2. Find all of the words and phrases that indicate movement. What mood do these words create?
3. Earlier we looked at the image of the daffodil and described how using this image helped visualize the personification of the flowers dancing. Wordsworth uses a form of the word “dance” several times throughout the poem. What additional words or phrases does the poet use that could also describe movements of a dance?
4. Look for words and phrases that show emotion. What moods do these words suggest ?
