

Name: _____

Date: _____

Student notes for: The Legend of the First Fire**Day:** 3

1. What did Raven think about himself? Use evidence from the text to support your answer.

2. Was Raven's self-perception a true reflection of who he was?

3. Consider the author's choice of adjectives and adverbs used to describe some of the other animals who fail to bring the fire. Based on those adjectives and adverbs, how accurately do their actions match with their initial self-perceptions?

Animal	Descriptors	Comparison to actions
Raven		
Screech Owl		
Climbing Snake		

4. What do you learn about Spider from her actions?

Name: _____

Date: _____

Focus question: How are Spider's strengths different from the strengths of the other animals who attempted to get the fire? Use the graphic organizer below to record details and evidence about each group of animals, then write a short paragraph describing the key differences between their strengths.

Birds (Raven and Owls)	Snakes	Water Spider
