**Student notes for:** *The Velveteen Rabbit* by Margery Williams

**Day:** 4

1. What are some of the examples of discomfort that the Rabbit experiences?

2. Reread the section that begins “And so time went on...”, and stop after “That was a wonderful Summer!”. How do you know that this was a happy episode in Rabbit’s life?

3. How do the illustrations in this text support what is happening in each episode of Rabbit’s growth?

4. Read this excerpt from the text:

*“Why don’t you get up and play with us?” one of them asked.*

*“I don’t feel like it,” said the Rabbit, for he didn’t want to explain that he had no clockwork.*

What do these lines reveal about Rabbit?

5. When are the two different times that Rabbit understands he has become Real? How do you know?

6. Reread the conversation between Rabbit and the Fairy. How does this episode show that the story is moving toward its resolution?
