Student notes for: The Legend of the First Fire**Day:** 4

1. What does the author mean about the animals “each giving their two cents”?

2. Why did each animal feel entitled to give their opinion during the meeting?

3. Why did only some of the animals try to get the fire?

4. Why did some animals have “confidence”?

5. Compare the different strategies for retrieving the fire. Evaluate the effectiveness of each strategy.

Strategy	Effective?	Why or Why Not?
Owls flying to tree	No	
Snake crawling through base	No	
Snake climbing tree	No	

Spider collecting coal on her back	Yes
