

Principal's Message

Dear Parents/Guardians,

Welcome to a new school year! A new school year is always an exciting time because it presents opportunities for new adventures. As your principal, I am excited and grateful for the opportunity to be a part of this wonderful team of teachers, support staff, parents, and students. Together, as a team, we will achieve great success!

We believe that parents play a key role in the education of their children. Your words of encouragement, your interest in their work, your presence at school, and a hug each day are necessary for your child's success. Parents count! Come to school, talk with us, join the P.T.O. and volunteer your time, talents, and energy. Your involvement will show your children that you value their education. Let's work together to continue making East Side *a great place to learn*.

STUDENT ARRIVAL AND DEPARTURE

Students are to arrive at school after 7:00 a.m. and before 8:00 a.m. Parents who bring their children to school should drop them off in the car riders' line and students are to use the front entrance. Parents should not enter the bus driveway for student drop off. Students are to go directly to the gym or cafeteria. Parents of students who are late must come to the school office to sign them in.

Early bus riders will report directly to their buses at 2:45 p.m. Dismissal for car riders will begin at 2:50 p.m. Late bus riders will report to the gym at 2:55 p.m. to wait quietly while bus numbers are called.

Students whose parents pick them up must report to the designated area and wait quietly for their parents to arrive. They will be dismissed in an orderly manner by authorized school personnel. Student safety is our primary area of concern. Therefore, in order to strengthen the security during the dismissal of car riders, the following protocol has been put in place.

- ❖ All parents are asked to wait inside their vehicles for students and to have their East Side car decal visible.
- ❖ If parents or visitors need to come in the building, they must park in the parking spaces provided on the left of the school building.
- ❖ All regular car riders are required to get a car decal. Two decals will be given free of charge and can be obtained in the office.
- ❖ If a vehicle does not have a decal, the vehicle will be asked to pull over to the side so authorized school personnel can get the name of the driver with proper I.D. The information will be recorded on the appropriate form.
- ❖ Authorized school personnel will also have a list that will show the names of people not allowed to pick up specific students.
- ❖ The recorded information will be submitted to the office each day.
- ❖ The secretary will file information so it can be easily retrieved if needed.

ELECTRONIC DEVICES

Some common items not allowed at school are cell phones, electronic games, IPODs/MP3 players, CD players, and other items administrators consider inappropriate. **Do not bring them to school.** They will be taken up and kept in the office for five (5) school days until a parent/guardian can come to school to reclaim the item. **The school will not be responsible for damaged, lost, or stolen items.**

CHANGE OF ADDRESS OR TELEPHONE

It is important that the school have your correct address and phone number. In cases of illness, accident, etc., the school should be able to contact you immediately. Therefore, any change in address, telephone number, employment or emergency contact person(s) must be reported in writing to the office promptly.

FEES

The school does not assess student fees as defined in Haywood County School Board Policy. Students will be charged for lost, damaged, or destroyed textbooks, library books, workbooks, or other school property. Textbooks should be kept clean and free of pencil and pen marks. A student who loses or severely damages a textbook must pay for that book. The same is true of other school materials and equipment and for damage to property of other persons.

FIELD TRIPS

Field trips may be planned throughout the year for various academic, enrichment and extracurricular purposes. Parents will receive advance notice of all such trips. A permission slip will be provided and must be signed by a student's parent in order for the student to participate in a field trip. Students without permission slips will remain at the school in another class.

Occasionally, parents may be needed to serve as chaperones on class field trips. No parent should feel obligated to serve in this capacity, but parents are

encouraged to volunteer if possible. The primary responsibility of a chaperone is to ensure appropriate supervision for students. Parental chaperones are asked to take this responsibility seriously and to remain vigilant and attentive to the students' needs throughout the trip. ALL chaperones must complete the *Field Trip/Volunteer Application* form and return to the teacher prior to the field trip.

ATTENDANCE

Attendance and punctuality are very necessary habits to learn. School attendance is compulsory. It is the parent/guardian's responsibility to see that each student is present. We ask that you make doctor appointments and other obligations for scheduled days off from school and for after school hours.

TARDINESS

A student who arrives after 8:00 a.m. is considered tardy (late). The parent is required to come into the school office with the student to sign him/her in to school for the school day. Students who leave school before dismissal are also considered tardy. If your child receives three (3) tardies in a nine weeks period, it will result in one (1) unexcused absence.

ABSENCES

If your child is absent, please send a written excuse to the teacher when he/she returns to school.

UNEXCUSED ABSENCES

A letter will be sent home after three (3) unexcused absences. It will be reported to the Attendance Officer at the Central Office after six (6) unexcused absences for legal action.

ABSENCES - MAKE-UP WORK

It is the responsibility of the student to make up all class work assigned or tests missed during absence, excused or unexcused. A student with an unexcused

absence may make up work only at the discretion of the teacher. Work not made up within five days of an absence will result in a grade of zero for the assignment(s).

EXCESSIVE ABSENCE POLICY

When a student accumulates three (3) unexcused absences in one semester, a parent will be notified and asked to come to the school for a conference. The attendance supervisor will be notified after a student has accumulated six (6) unexcused absences in one semester. After the sixth unexcused absence, the student must appear before the Attendance Hearing Board.

PERSONAL LEAVE DAYS

Students are allowed to take two (2) personal days during the year which are counted as excused absences from school. Prior arrangement must be made by a parent/guardian of the student. Personal days may not be requested during state-mandated testing. Students who have missed six days in the semester may not take a personal day.

WEATHER AND EMERGENCY PLAN INFORMATION

**** For the safety of all students, during a lock down and severe weather we are not allowed to release students to parents/guardians until safety has been determined.**

Health Emergencies

In the event a student is seriously injured or ill, parents/guardians will be notified. If the office is unable to reach parents in a reasonable amount of time or if the situation is an emergency, the principal will make the decision to have the student transported to the hospital emergency room.

Please see that the school has up-to-date information about how to reach you in the event your child becomes ill or injured while at school. In addition to a home phone number, we need a work phone number and the number of a relative, neighbor or friend. **It is absolutely necessary that the school be provided with an emergency phone number for all students.**

DRILLS

Fire drills are a necessary routine for ensuring the safety of students and staff. All students and staff are expected to follow the established fire drill plan posted in each room of the school. When the fire alarm bell sounds students are expected:

- To evacuate the building in a quick, quiet and orderly manner
- To evacuate the building through the designated exits

When the all clear sounds, students are expected to re-enter the building in a quiet and orderly manner.

Tornado drills are also a necessary routine to ensure the safety of students and staff in the event of a tornado.

A tornado drill procedure has been established for the school and is posted in each room of the school. When a tornado alarm is sounded students and staff are expected to report quickly and quietly to their assigned area of safety.

Intruder drills are a necessary routine to ensure the safety of students and staff in the event there is an intruder in the building.

OTHER EMERGENCIES

The staff in the event of terrorist attacks, bomb threats, etc will implement the safety-crisis plan to ensure the safety of staff and students.

In the event of severe weather conditions and it is determined that it is unsafe for children to travel to school, an announcement of the closing of the schools will be announced on Brownsville Radio (95.3 FM) and area TV stations. It will also be posted on the Haywood County Schools website (www.haywoodschoools.com).

Additionally, you can sign up for Instant Alerts through text messages.

HEALTH AND SAFETY

Students' health and safety is the school's foremost responsibility. The following information describes the precautions taken to protect the well being of all students. If your child has any specific health, safety, security needs, please inform the school so that appropriate accommodations can be made.

MEDICATION

To dispense prescription medication to students, you must provide the school with a **"Physician's Order and Parental Consent form"** completely filled out and signed by the doctor and signed by the student's parent before medication can be administered. All medication should be brought to the school office in its original prescription container, labeled with the student's name, the name of the medication, date of expiration, and proper dosage. Students are not permitted to bring non-prescription medications to school. This policy includes over-the-counter medication such as aspirin, Tylenol, cough medicine, allergy medication, and all types of lotions and topical preparations. The only medications allowed to be used at school without the parents' consent are those used in first-aid care, such as alcohol, hydrogen peroxide, and antibiotic ointments. Medications for fever, pain, nausea, vomiting, or diarrhea, and topical medications for rashes can no longer be given at school.

ACCIDENTS

The school office or a trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student and an incident report will be kept in the office. In such cases, it is especially crucial that the school has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be vigilant in keeping the schools' records for your child up-to-date. In the event of an emergency, the student will be transported to the hospital.

VISITOR IDENTIFICATION

To help ensure a safe and secure learning environment for your children, all visitors to East Side Intermediate School are required to sign-in at the school's office, show I.D. and to wear a visitor's pass. Faculty and staff have been instructed to escort anyone not having a pass immediately to the office for identification.

At the midpoint of each grading period, progress reports will be sent home. This will give parents an indication of how their child is performing in a particular class. These reports should be used as a means of helping students toward improving their grades. They do not necessarily mean a child is failing, but a deficiency is noted which needs correction or outstanding work has been done by a student.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are encouraged to maintain open communication between school and home. A parent who desires a conference with a teacher should contact the teacher and request that a conference be arranged. STUDENT COUNCIL

The purpose of the Student Council is to enhance school pride, participate in community improvement projects, promote school involvement, and improve overall school climate by representing student views.

Our representatives are elected by members of their homeroom classes and are expected to be role models of good conduct and proper dress. We ask our students to commit to this as well as to maintain the highest grades they are

capable of. These students are leaders in our school and therefore should conduct themselves in a manner that will bring pride to the Student Council. Failure to do so could result in dismissal from the Council.

The school should be seen as a symbol of opportunity where right and responsibilities are emphasized equally and human dignity is protected.

Student Rights:

Each student has the right to:

- Have the opportunity for a free education in the most appropriate learning environment
- Be secure in his/her person, papers, and effects against unreasonable searches and seizures; privacy in regard to his/her personal possessions, unless there is reasonable suspicion that the student is concealing materials prohibited by law
- Expect that the school will be a safe place with no fear of bodily harm
- Expect an appropriate environment conducive to learning
- Not to be discriminated against on the basis of sex, race, color, religion, national origin, or handicap
- Expect to be fully informed of school rules and regulations

Student Responsibilities:

Each student has the responsibility to:

- Know and adhere to reasonable rules and regulations established by the local board of education and implemented by school administrators and teachers
- Respect the human dignity and worth of every other individual
- Refrain from libel, slanderous remarks, and obscenity in verbal and written expression

- Dress and groom in a manner that meets reasonable standards of health, cleanliness, modesty and safety
- Help maintain and improve school environment, preserve school property, and exercise the utmost care while using school facilities
- Refrain from gross disobedience, misconduct, or behavior which would lead to any physical harm or that disrupts the educational process
- Respect the exercise of authority by school administrators and teachers in maintaining discipline in the school and at school sponsored activities.

HAYWOOD COUNTY SCHOOL BOARD DISCIPLINE POLICY

If the recommended disciplinary measure involves suspension from school for ten (10) days or less, the principal, assistant principal or principal-teacher shall immediately suspend the student consistent with the procedure as stated in the Board policy. If the recommended disciplinary measure involves suspension from the school transportation service, the principal, the assistant principal or principal-teacher shall immediately suspend the student from the service and shall give notice in writing of the decision to the student's parent or guardian.

If the recommended disciplinary measure involves suspension from school for more than ten (10) days, the student shall be informed of the rights of a hearing pursuant to the procedure set forth above this policy. The officer shall present the case for the administration at such hearing.

The student may appeal the decision of the Disciplinary Hearing Authority to the Board, but such appeal is discretionary with the Board. If the board refuses to hear the appeal, the decision of the Disciplinary Hearing Authority shall be final.

ZERO TOLERANCE

Drugs, Alcohol, Weapons, and Battery

In order to ensure a safe and secure learning environment free of drugs, violence and dangerous weapons, any student who engages in the following behaviors will be subjected to expulsion for a period not less than one (1) calendar year. All students charged with Zero-Tolerance offenses will appear before the Disciplinary Hearing Authority. The Director of Schools shall have the authority to modify this expulsion on a case-by-case basis. Zero-tolerance acts are as follows:

1. Student(s) who unlawfully possess, use, distribute or sell any narcotic, tobacco, stimulant drug, marijuana, alcoholic beverage, or possess a dangerous weapon on a school bus, on school property or to any school event or activity will be found in violation of Haywood County's Zero Tolerance.

NOTE: Tennessee law requires that drug violations on school property be reported to the appropriate law enforcement agency. If any student is suspected of being under the influence of drugs or alcohol, a parent or guardian will be contacted for permission to administer a drug test off campus. Testing will be conducted by trained juvenile authorities.

2. Any student while on the school bus, on school property or while attending any school event or activity commits a battery on a teacher or any other employee of the school.

For purpose of this regulation, "expulsion" means removed from the pupil's regular school or remove from school attendance altogether, as determined by the school officials. Nothing in this regulation shall be construed to prohibit the assignment of such students to the Justice Academy.

FIGHTING:

Students may be "EXPELLED" (removed from the regular school program and sent to the Alternative school, or removed from school altogether) for fighting.

All fights that take place on school property must be referred to the principal for disciplinary action. The principal will determine the severity and circumstances of a fight and decide whether

or not to request a DHA hearing. Students involved in major fights that require hearings shall be disciplined by the DHA. The DHA will follow the steps in making disposition of the cases:

1. Determine if the student is innocent or guilty
2. Determine if the offense is of “Zero-tolerance” magnitude
3. Determine punishment for the student

Selected punishment in “Zero-tolerance” cases shall include expulsions from the regular school program for a period of up to one year.

Bullying/Intimidation/Harassment

Students shall be provided a safe learning environment. It shall be a violation of this policy for any student to bully, intimidate or create a hostile educational environment for another student. Bullying, intimidation, or harassment is defined as either physically harming a student or damaging his/her property, or knowingly placing the student in reasonable fear of physical harm to the student or damage to the student’s property, causing emotional distress to a student, or creating a hostile educational environment.

Cyber-bullying is a form of bullying undertaken through the use of electronic devices. Electronic devices include but are not limited to telephones, cellular phones or other wireless telecommunications devices, text messaging, emails, social networking sites, instant messaging, videos, web sites or fake profiles.

The policy addresses conduct taking place on school grounds, at any school-sponsored activity, on school-provided transportation, or at any official school bus stop immediately before boarding and immediately following deboarding.

Accelerated Academic Academy

Mission Statement

The Accelerated Academic Academy strives to provide challenging before and after-school programming that will meet the academic, recreational, cultural, social, and safety needs of the students of Haywood County.

Introduction

This Accelerated Academic Academy information will serve as a guide for parents and students throughout the AAA school year. It contains the basic information governing the programs, discipline, attendance, field trips, and procedures for dismissal.

General Information

Application Process:

There is a before and after-school application for students. Students are referred by teachers for the tutorial and homework assistance programs. The number of students who attend will be limited due to state mandated teacher to student ratios. Therefore, we will serve those students who are most-in-need first and then if openings are available, we will serve other students. If needed, a waiting list will be established.

After-school enrichment applications will also be taken using the same criteria. Enrichment classes will be offered on a first come, first served basis. Information regarding these programs will be advertised throughout the community on the Haywood County Schools web site and through information provided by the AAA program. The enrichment programs will be offered on an eight weeks schedule and will change each eight weeks.

Arrival and Dismissal

Before – School Program: Students are to arrive at school at 7:00. Breakfast will be served according to the school schedule for before-school students. Students will remain in the homework and tutorial program until 7:45 and then return to their homerooms or taken to breakfast. No student will be admitted to the before-school program after 7:15.

After-School Program: Students will follow the dismissal plan formed by their school for the after-school program. At 3:00, healthy snacks will be provided, and the students will be dismissed from the cafeteria to their classes. At 5:15 the students will be dismissed with the approval of their teachers. Proper identification of adults will be needed to pick up students. Bus transportation will also be provided, if needed. Students using bus transportation will be expected to follow all rules and regulations set forth by the Haywood County Board of Education. A staff person will be assigned to be present in the dismissal area at a designated time. This staff member will have a checklist of students who will be riding the bus.

Discipline

The students will follow the school-wide discipline plan of their respective schools and Haywood County Board of Education bus policies. If a problem occurs, the teacher will complete a discipline report form and submit it to the Site Coordinator. Parents will be notified about each incident. After three written notifications, the student will be suspended for a period of six weeks from the after-school program. There is a form that will be sent home for parent signature regarding discipline procedures.

Illness

We do not give any medication at school without a signed “Physician’s Order and Parental Consent Form.” If a student becomes ill, we will call the parent or designated emergency person to arrange transportation home.

All site coordinators have been trained and received CPR certification.

Emergency Response Plan

Students will follow the emergency school response plan of their respective schools.

Inclement Weather

When schools are closed due to inclement weather, the before and after-school programs will not meet.

Attendance

If a student misses 4 consecutive days of the AAA program, he/she will be removed from the program and placed on a waiting list to return to the program.

Field Trips

Field trips will enhance the after-school program. Transportation will be arranged with the knowledge and consent of parents and will follow transportation rules for field trips. A field trip parent information sheet will be provided, and a permission sheet must be signed.

Grievance Policy

Parent input concerning the program is important. Feel free to share your comments with the program coordinator Mr. Don Sims. All questions concerning policies and procedures should be addressed to the program coordinator at (731) 772-3265.

Notice of Non-Discrimination:

It is the policy of the Haywood County School System (HCS) not to discriminate against any student, employee, or applicant on the basis of sex, marital status, race, color, creed, national origin, sexual preference, or handicapping condition. HCS will ensure that no student will be excluded from participating in or having access to any course offerings, student athletics, counseling services, employment assistance, extracurricular activities, or other school resources based on unlawful discrimination.

HCS will take all necessary steps to ensure that each employee’s work environment is free of unlawful discrimination. No office, administrator, or employee of HCS, including any persons representing HCS, shall intimidate, threaten, harass, coerce, discriminate against, or commit or seek reprisal against anyone who participates in any aspect of the discrimination complaint process associated with this policy.

We are excited about the opportunities this program has to offer your child. Let’s be involved together and make exciting things happen!

INTERNET ACCEPTABLE USE POLICY

OVERVIEW

The internet is an electronic communications network which provides vast, diverse and unique resources. Our goal in providing this service to teachers, staff and ultimately students is to promote educational excellence at East Side Intermediate School by facilitating resource sharing, innovation and communication.

With access to computers and the people all over the world also comes the availability of material that many may not be considered to be of educational value in the context of the school setting. There may be some material or individual communications that are not suitable for school aged children. East Side Intermediate School views information gathered from the Internet in the same manner as reference material identified by the schools. Specifically, East Side Intermediate School supports resources that will enhance the learning environment with directed guidance from the faculty and staff. Exploration and manipulation of resources is encouraged. However, it is impossible to control all materials on a global network and an industrious user may discover inappropriate information.

In the school, student access to and use of the Internet will be available only through a teacher/staff account and as such should be under teacher direction and monitored as any other classroom activity. Direct supervision is required.

GUIDELINES

The operation of the Internet relies heavily on the proper conduct of the users, who must adhere to strict guidelines. Internet access is a privilege, not a right. If a user violates any of the acceptable use provisions outlined in this document, future access will be denied. Students are responsible for good behavior on school computer networks just as they are in a classroom or school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply.

Internet access is provided for students to conduct research and communicate with others in relations to schoolwork. Access to network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required. Based on the guidelines outlined in this document, the school staff will deem what is appropriate use and their decisions are final. School staff may revoke privileges at any time.

NO CHILD LEFT BEHIND LEGISLATION

To comply with the No Child Left Behind legislation, Haywood County School System, which is a recipient of federal funds, will adhere to the following guidelines concerning parental rights and notices. This will serve as your official notification.

Report cards on statewide academic assessment

Results of state testing will be sent home by students as soon as results are returned to the school system, published in the local paper, posted in the Board of Education's central office at 900 E. Main St. in Brownsville, Tennessee and at the state web site located at www.connect-tn.org/. These reports will reflect school improvement status and adequate yearly progress.

Teacher and Paraprofessional qualifications

The information regarding teachers' qualifications may be found at the following locations: on the state web site (www.connect-tn.org/), available at the school system's Central Office (900 E. Main Street in Brownsville), and at the individual school's Principal's office. Paraprofessional information can be found at all of the above sites except the state web site. You may request the individual qualifications of your child's teacher(s) and any paraprofessional who works with your child from the Central Office.

Individual achievement on state assessment

Test results are sent to the students' school as soon as they are returned to the school system. Upon receipt at the individual school they are prepared and sent home by students. If a teacher is to be absent for four or more consecutive weeks, notification will be sent home by the student if the substitute teacher does not meet the standards for highly qualified.

Limited English proficiency program

Parents of students identified as meeting the criteria for Limited English Proficient Program will be provided with all required information at the initial placement meeting. Parents of any student identified as meeting criteria for this program after the beginning of the school year will be notified in the same manner within the first two weeks of the child's placement.

Parent Involvement Policy

A written Parent Involvement Policy, including requirements of No Child Left Behind, is part of the school board policy manual located at each school and the central office at 900 E. Main Street in Brownsville, TN. Open House is held at each school at the beginning of each school year for the purpose of informing parents. Meetings are held throughout the year for the purpose of school improvement planning which includes the Title I Program, curriculum, assessment and school-parent compact. Parent Teacher Conferences are scheduled in the fall and spring to discuss academic and educational assessment. Annual school surveys will be distributed in the spring to parents, students, and school staff to determine needs for the upcoming school year.

Safe and Drug Free School Programs

Text and programs including the curriculum for Health, Science, and Physical Education are approved by the Board of Education after parental review. These programs meet the criteria for Safe and Drug free schools. For any additional programs dealing with violence and drug prevention, parents may state objections in writing to withdraw a student from the program/activity. Parents will be provided written notification that if their child should become the victim of a violent crime at school he/she will have the right to transfer to another school within the district.

21st Century Learning Centers

Information regarding the success and effectiveness of extended learning programs is available upon request form Mrs. Marjorie Vaultx at the Central Office located at 900 E. Main St. in Brownsville, TN.

School wide programs

All elementary schools in our school system are designated as school wide schools. This designation provides the opportunity to use federal, state, and local funding to upgrade the entire educational program. These schools are Anderson Early Childhood Center, Haywood Elementary Primary, and East Side Intermediate.

Physician's Order and Parental Consent Form

The medication administration policy of the Haywood County School System states: Medication shall be administered only when the student's health requires that they be given during school hours. Medications that are administered at school must be in the original container with pharmacy labels attached, stored in a locked cabinet in the office and administered under the supervision of the school nurse, school administrator, or his/her designee. Written authorization from the student's parents/guardian and physician is required, and is for the current school year only.
