News from the Principal

Welcome to the Spring 2020 semester!

How many of you took the challenge to work on **iReady** over the winter break to keep your minds moving? It's not too late. Work on your math skills throughout the semester.

As we work to persevere through the second semester, keep in mind that it'll continue to take families and school staff to keep students focused on their academics and achieving success. Let's work together to make sure all of our students are learning and persevering!

Parents, if there is any help we can provide to support you and your student to be successful, please reach out to us.

Welcome back Wildcats!!!
