Student notes for: “Top 10 Real-Life Body Snatchers” by Megan Gambino

Day: 3

1. All animals need a food source to survive. How do the parasites in the text use their hosts for sustenance?

2. Reread sections three and six. How are the purposes of the parasites' actions in these two sections similar?

3. Reread section seven. Why is it necessary for the flatworm parasite to go through several host animals?

4. Several of the parasites use their hosts to move to a different location. Why is it necessary for the parasites to use the hosts in this manner?
