**Student notes for:** The Bears of Yellowstone National Park

**Day:** 4

1. What does the term “carcass” refer to on pages 3 and 4?

2. According to the text, why is it important to avoid animal carcasses?

3. According to the text, what policies were implemented in 1960?

4. Based on your reading of page 2, why did the park change its policies?

5. What evidence in the second paragraph of page 4 shows you that changing the policies in 1960 benefited both the bears and humans visiting Yellowstone National Park?
