## INSTRUCTIONAL SUPPORT PACKET

Dear Families,

We miss you so much and can't wait to get back to our classrooms together. Until then, we have put together some packets of work to support you during this time at home. This packet is meant to last you for 3 weeks. Be sure to spread the work out over the next few weeks to not overwhelm our students. We worked hard to make sure each activity would be meaningful and keep our students progressing during this time away. We appreciate you for your willingness to help us keep your child learning through this unique time. Below you will find details about each item included in the packet.

With Love,  
Pre-K Teachers

Just a reminder- We normally only sit for spans of 15-20 minutes at a time. Please help review things with your child by getting up, moving around, and exploring. Remember, children at this age learn best through play and exploration.

---
