

**Haywood High School's  
Dual Enrollment Program**

**Participation in HHS's Dual Enrollment Program**

1<sup>st</sup>

The student must meet the institution's requirements.

2<sup>nd</sup>

The student must complete the Dual Enrollment Grant.

## Haywood County Schools Mission Statement

*“The mission of Haywood County Schools, in partnership with families and community, is to ensure an engaging, respectful, and safe environment where all students are empowered with the knowledge and skills needed to pursue post-secondary opportunities.”*

# Post Secondary

A reference to any education beyond high school.

“The importance of postsecondary education has increased significantly in the last decade. A high school diploma is no longer sufficient in the 21st century. In order to be successful in today’s global economy a person must receive some form of postsecondary education. And, the economic stability of the state is tied to citizens who are employed and productive.”

-National Conference of State Legislatures

## **Early Post Secondary Opportunities EPSO's**

Early postsecondary opportunities (EPSOs) include a course and/or exam that gives students a chance to obtain postsecondary credit while still in high school.

## **Benefits of Dual Enrollment**

- Earn high school credit and college credit
- Experience higher academic standards and rigor while still receiving guidance
- Save time and tuition

## Typical Cost of College Courses

College Courses are usually 3 credit hours

\$370 per credit hours

$\$370 \times 3 = \$1,110$

DE College Courses are usually 3 credit hours

Roughly \$167 per credit hour

$\$167 \times 3 = \$500$

## **Important Note\***

Most of HHS's partnering institutions honor what is called the "First Four". This refers to the first four courses of the dual enrollment grant. If a student uses their DE grant 1 and DE grant 2 with the same institution, that institution will provide a scholarship for any remaining balance that the student may have for courses three and four.

## **Dual Enrollment Grant**

To **qualify** for the TN **Dual Enrollment Grant**, a student must be a junior or senior in high school, lived in Tennessee for one year prior to **applying** for the **grant**, and maintained at least a 2.75 GPA in all previous **dual Enrollment** coursework.

# Dual Enrollment Grant

Course	Milligan's Dual Enrollment Cost	Tennessee Dual Enrollment Grant*	Out of pocket cost to student
Course #1	\$500	\$500	\$0
Course #2	\$500	\$500	\$0
Course #3	\$500	\$200	\$300
Course #4	\$500	\$0	\$500
All subsequent courses	\$500 per course	Up to \$100 per credit hour (\$300-\$400 per course)	\$100-\$200 depending on the course

- For eligible students. See [www.tn.gov/CollegePays](http://www.tn.gov/CollegePays) or call us for more info

## Dual Enrollment Grant with Scholarships from Institutions and Hope Scholarship

Course	Institutional Course Costs	Tennessee Dual Enrollment Grant	Institutional Scholarship for "First Four" Courses	Out of Pocket cost to Student
Course #1	\$500	\$500	\$0	\$0
