HOME AND AWAY FAN SECTIONS FOR PLAYOFF FOOTBALL GAMES

BROWNSVILLE, TENNESSE, November 17, 2022 — The Haywood Tomcats will face the Milan Bulldogs in the quarterfinal round of the Tennessee Secondary Athletic Association (TSSAA) state football playoffs on Friday, November 18 at 7:00 PM at LZ Hurley Memorial Stadium.

High school athletics are an integral part of the public education experience and help to bring players, families, and communities closer together. The lessons that are learned stretch well beyond winning and losing. TSSAA events require mutual respect and sportsmanship from each team and each team's fan bases.

Because of the intensity of playoff football games where one team will conclude their season and some players will play their final high school game, emotions can run high on the field and in the stands.

For the enjoyment of the game and respect for the players and coaches, fans of both teams will have a designated section in which to sit this Friday night and any subsequent home playoff game.

Tomcat fans will be seated on the west side of the stadium in the section beneath the press box. Milan Bulldog fans (and any future opposing team's fan base during the playoffs) will be seated on the east side of the stadium in the section that is adjacent to Boyd Avenue.

Haywood County has always had and will continue to have a winning football tradition. With this tradition also comes the responsibility of sportsmanship and setting a positive example for the players on the field.

We look forward to continuing our successful season in front of the best fan base in the state.
