 are
 served at no
 cost.

Students may select from the five components to build a lunch. The components are fruit, grain, meat, vegetables and milk. A minimum of three different components must be taken to receive meal benefits. A one cup serving of fruit or vegetable or a combination of both must be taken to get lunch at no cost. Meals without a fruit or vegetable will be charged at a la carte pricing. A choice of white and flavored 1% milk is offered daily. Due to supply chain issues, menu items are subject to change.
